

## Absarokee Loop

From Billings, take I-90 Westbound to Columbus. Exit I-90 at Columbus and ride into town and turn right at the stop sign onto E. Pike Avenue. Turn left onto S. Pratten Ave. crossing the railroad tracks and the Yellowstone river. Shortly after crossing the river, turn right on Highway 78 to Absarokee. Travel Highway 78 on to Red Lodge. (Caution advised—watch for deer and other critters crossing the roadway). There is also some construction, (gravel surface) between Columbus and Absarokee, but it is fine for motorcycle travel.

From Red Lodge, take US 212 to Laurel, and then I-90 back to Billings. There are numerous places to stop for fuel and lunch/snacks/ice cream, and just plain relaxing.

Approximate mileage: 139 miles. Approximate travel time: 3 hours.
